# How can we help?

We are an Australian owned, family run operation. Lencrow originally started as a forklift hire business in Silverwater, NSW in 1976 trading as Allforks Hire Pty Ltd. In this time we have evolved as a business to be one stop service solution for all your materials handling needs across the country.

## Lencrow Materials Handling delivers excellence in service through materials handling solutions.

When you choose Lencrow Materials Handling, you will benefit from;

- The best in after sales service.
- A wide range of products suitable for most applications.
- A diverse range of leading and supported brands.
- Short and long term hire from the most comprehensive fleet.
- Experienced service and advice from industry professionals.
- A team of qualified service technicians on site and in the field.
- A large distribution of genuine and after-market spare parts for most makes and models.
- Workplace consultants who can identify and manage warehouse workflows with materials handling plans.
- A range of second hand forklifts for sale.
- Online customer support.
